**Lights, Camera and Action...
Blockbuster ROBOTS Set to Take Over Titanic Belfast This Summer**

Iron Man, R2-D2 and T-800 from Terminator are just a few of the robots, cyborgs and android stars of the big and small screen that are set to take centre stage at Titanic Belfast's ROBOTS exhibition from 26th June – 13th September.

Thousands of visitors are expected to travel from far and wide to enjoy the ROBOTS exhibition at Titanic Belfast, which has something for children and adults alike, making it the not to be missed summer event.

With over 50 robots on display, visitors to the exhibition at the world's largest Titanic visitor experience will be spoilt for choice.

Film fans won't be disappointed with Sonny from I, Robot, the B9 robot from Lost in Space and the cyborg RoboCop on the bill. Enduring family favourites such as the stars from Star Trek, Red Dwarf and Robby the Robot from Forbidden Planet will also be at Titanic Belfast.

For those who prefer 'the dark side', robots like ABC robot from Judge Dredd and a Sontaran from Doctor Who, will be awaiting Northern Ireland visitors at the largest ROBOT exhibition in Northern Ireland this Summer.

To buy tickets to enter into the world of ROBOTS, priced at £6 per adult and £3 per child (age 5-16 years) with family tickets (two adults and two children) costing £16, visit: www.titanicbelfast.com or phone +4428 90766 399.
