

# SHIP OF DREAMS

## GUIDED TOUR: ROI - JUNIOR CERT

TITANIC  
BELFAST®

EDUCATION

*Ship of Dreams* is a 90 minute highlight tour especially designed for education visitors which uses a live guide and headsets to enrich your learning experience. Your trained guide will steer you through the galleries, helping you and your students focus on the

story of Titanic; from why she was designed, how she was built and her luxurious fit-out, right up to the story of her wreck's discovery. You'll be guided to appropriate activities, hear stories about her passengers and crew and reflect on the tragedy of her loss.

The following are a selection of the curriculum targets this tour will support;

### History

- Locate historical information from visual material
- Locate historical information from orally transmitted information
- Locate historical information from primary sources
- Locate historical information from secondary sources
- Locate historical information from statistics
- The concept of cause and effect
- Examine historical information and distinguish between facts, opinion, inconsistencies and bias.
- Develop positive attitudes such as objectivity and fairness
- The concept of opinion and fact
- The concept of propaganda

### English

- Opportunity to practise listening skills
- Opportunity to practise reading skills to cope with factual prose in diverse forms

## Geography

- Use and interpret maps
- Use and interpret photographs
- The concept of change over time

Pupils who take a *Ship of Dreams* tour will leave with a better understanding of the story of RMS Titanic and a richer empathy for the people involved with her in various capacities. They will have a greater appreciation of the skill required to design and build her and to fit her out. *Ship of Dreams* seeks to help students connect more with the historical reality of the story rather than the fictional myths and cinematic representations with which the wider public are more familiar.
